Amount in the bank: \$9,106.90

CD: \$11,068.93

Treasurer's report accepted as read, motion by: Ira Lessman, 2nd by: Ray Hummel, Motion carried.

Old Business: Discussed the spring and fall brochure estimates and how many brochures we should get. The estimates include pricing for 5000 and 2500 brochures. It would cost around \$1,598.25 for 5000 spring show brochures and \$1,260.50 for 2500 spring show brochures. The fall show brochures would be around \$485.50 for 2500 and \$823.25 for 5000 brochures. These prices do not include shipping. It was mentioned that we would like to distribute the fall show brochures at the spring show. After discussion, Perry Aitkin made a motion to get 2500 Spring show brochures and 5000 Fall show brochures, 2nd by: Mahlon Boop, Motion carried.

It was mentioned that when the weather gets better, we will need to start work on the track side food stand to make it bigger. Brad Bingaman has some supplies ordered, we will just need the trusses. It was suggested that we should just make our own trusses. It was also mentioned that we are getting enough shingles to do the whole roof.

Discussed getting potatoes for the track side food stand for making fries.

It was mentioned that frying oil is now around \$27.00. We will need to get some oil. It was suggested that we should see if Heimbach's Store can get frying oil and how much it would be.

It was also mentioned that we will need more sausage for sausage sandwiches. Last year we did 3 hogs. This year there will be more demand for it because of the track side stand being open for the garden tractor pulls as well. It was suggested that we should do 4 hogs this year and cure more bacon too. We will need to come up with a date to do it.

The Grace Covenant Community Church is reserved for December 8th for the Christmas Banquet.

Discussed making scrapple again. It was suggested that we make the scrapple and the sausage at the same time. After discussion, it was decided to go with March 2nd and 3rd.

Todd Willow asked if we were going to do any advertising on the restaurant TV's this year? Todd also mentioned that there is a new radio station in the area (90.1 & 90.5) that plays gospel music that we could look into advertising with. It was also mentioned that they run on donations.

Discussed the BBQ pit. We need to know how big to make it. To be able to fit 4 racks the pit would need to be around 4' by 18' and the roof would be 20' long and 12' wide.

Mike Lessman mentioned that we will need to get the track side food stand done and a new water line run to it before the spring show. We are looking at putting in two frost free hydrants, one on each side of the announcers stand.

New Business: Discussed new fundraiser ideas for the Association since we are no longer doing the basket bingos. Some suggestions are: Doing the Hoss's Fundraiser Nights, doing a Vera Bradley or American Girl bingos and doing a gun and money raffle. It was suggested that if we would do a gun raffle, we could have a camping weekend along with a meal for those who purchase tickets and we could give away 25 guns throughout the day. We would need to find a gun shop that would work with us. It was suggested that we could set up a stand at other shows and sell the tickets. We then discussed the meal. The meal would be simple, hotdogs, hamburgers, baked bean and macaroni salad. A good time to do this might be sometime in September. These ideas will all need to be discussed further.

At 9:08 PM, Kenny Frymoyer made a motion to adjourn, 2nd by Ira Lessman, Motion carried.

Respectfully submitted by Michael Clark, Secretary
