Amount in the bank: \$4,850.84

CD: \$10,000.00

The amounts in the bank were approved by: Perry Aitkin, 2nd by: Mahlon Boop, Motion carried.

Old Business: Discussed the "Spring Celebration" at Kuhns Brothers in Milton. Mahlon Boop reported that due to some issues at their facilities, the event has been cancelled. We then discussed the 20 bags of potatoes that were ordered for this event. Mahlon said he could try to hold the order for the spring show which would put us over 70 bags of potatoes or try to cancel the order. It was decided to try to cancel the order.

The new banners have been ordered. They were ordered through Build-A-Sign.com and will be 4' by 16', single sided in full color and will be vinyl.

It was mentioned that Dave Daku does have some ground to be plowed if we want to do a plow day.

Discussed the truck pulls, the rules and if we would pay out. There are some concerns about some of the truck rules and also some safety issues too. It was mentioned that if we would pay out for the trucks and not the tractors, we would see some of the tractor pullers leave. It was mentioned that we are not going to be paying out. Also discussed the starting times. We need to get the trucks done so the tractors can pull on Saturday too. It was also mentioned that this is an antique machinery show, not a truck show. Also, we will have to keep the trucks and tractors moving. When one is pulling, the next puller should be ready to hook up. It was suggested that if the next puller is not ready to go, then they should be skipped and the next puller can go. We'll have to see how things go this year with the date changes for the pulls.

New Business: The question was asked if we were going to hold the next meeting at the show grounds since it will be held the week of the show. Kenny Frymoyer made a motion to hold the next meeting at the show grounds, 2nd by: Perry Aitkin, Motion carried.

Ronnie Hauck mentioned that he is working on some extra events for Saturday since we do not have any entertainment scheduled.

At 8:10 PM, Ira Lessman made a motion to adjourn, 2nd by: Kenny Frymoyer, Motion carried.

Respectfully submitted by Michael Clark, Secretary
