Amount in the bank: \$6,321.94

CD: \$11,000.00

Treasurer's report accepted as read, motion by: John Malcolm, 2nd by: Kenny Frymoyer, Motion carried.

Old Business: Discussed getting a tent for at the entertainment if it should rain. It was mentioned that there is room in the straw shed in the back of the barn to put the band if it rains and the people can sit on the three bays in the barn. It was suggested that we could use Buffalo Valley's canopy that is in the barn but the tarp is questionable. After discussion, it was decided to check around for prices for a tent.

The new speaker wire for the pole at the barn is now in and it is also in conduit.

The new lights in the barn are in along with a new 100 Amp breaker panel.

Perry Aitkin mentioned that the ice cream buckets were delivered to Sam Yoder. The ice cream will be picked up on Friday afternoon.

New Business: The question was asked how do we pay for the steam engine hauling. We get billed for fuel for hauling them to the show.

It was also asked if we can put up a night light down at the barn so we can see the front of the barn at night. It was also asked if we could put a light up behind the barn as well. After discussion, Kenny Frymoyer made a motion that we install a motion sensor light on the front of the barn, 2nd by: Dawn Betz, Motion carried.

Also discussed items that need to be done for the show: put benches and garbage cans out, the train station tent needs put up and the potato chip area needs to be set up.

Unfinished Business: Discussing doing a Halloween event, making a place to work at the show grounds and advertising on the restaurant t.v.'s.

At 8:00 PM, Dawn Betz made a motion to adjourn, 2nd by: Donald Athey, Motion carried.

Respectfully submitted by Michael Clark, Secretary
